

# #TEAMCILAIRE

*Grade One Science Experiment*

*Kindergarten Walking Graph Project  
(awesome sibling teamwork!)*

*Learning about Angles*

April 24, 2020

Hello Cilaire students and families!

Thank you for your ongoing support and partnership as we wrap up Week 3 of our Continuity of Learning. As you can see in the pictures I've received, there are some awesome things happening at home. Students, we all miss you so much and can't wait to see you again. Parents, please continue to only do the learning that works best for you and your family. We support you 100%!

## **PAC News**

Although we're not together at the school, there are still ways we can continue to support PAC.

1. Support local by shopping at Cobbs Bread and tell them you belong to Cilaire School.
2. Return your bottles to the bottle depot and refunds can be donated to our Cilaire account.

## **Week 3 - Mrs. Noseworthy's Fun 5 Minute Challenge**

Visit our Performing Arts website <https://cilaire68music.weebly.com> to see this week's new challenge, The Sid Challenge (Ice Age).

**NLPS News** - Please continue to visit the NLPS website for up the most recent and updated information [www.sd68.bc.ca](http://www.sd68.bc.ca)

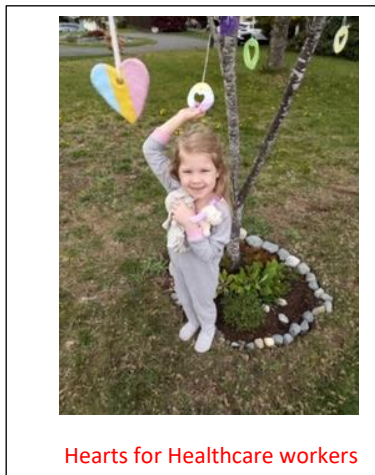

Have a wonderful weekend and stay safe.

Sincerley, Carie Wood
