It's Beginning to Look a Lot Like Christmas!

Dec. 6, 2019

This afternoon we welcomed December with a school wide Christmas Door Decorating activity. Carols were playing and staff and students were busy creating festive holiday décor. It was a wonderful way to start the month!

Yesterday, we were grateful to have the RDN Santa Bus come visit our primary classes and spread some holiday cheer. The kids loved their visit with Santa and his jolly Elf!

As you know, this holiday season Cilaire has partnered with EDAS – Everybody Deserves a Smile for our third year. Thank you for your donations which help to bring a smile to those in need. Classes have been getting involved at different levels. We've had kids painting the gift bags in which the items will be gifted and some students have written heartfelt cards that will go in each bag. We truly appreciate everyone's involvement in this holiday journey of compassion, gratitude and giving. Donation collection will end on Monday 9th.

Items to Note:

Christmas Concert Info. – There will be two one hour performances Dec. 12th @ 1pm and 6pm. Doors will open 15 minutes prior to each performance. We ask that students remain for the entire concert as all students are in the finale. If you are at the afternoon performance and would like to dismiss your child when the concert is over, we ask that you go directly to your child's classroom and dismiss them from their teacher. We understand that this is not the typical sign out procedure but feel this will alleviate a traffic jam at the office. For the evening performance, students are expected to arrive to their classrooms between 5:45pm-5:55pm. After the evening concert, all students will be brought back to their classrooms and will remain there until a parent/guardian comes to the classroom to get them.

NLPS News – 2020-2021 School registration information attached.

PAC News – Purdy's orders are in the office for pick-up between 8am – 3pm.
