Did we catch a Leprechaun?

March 13, 2020

This past week we had a 'wee' bit of fun making Leprechaun traps and trying to catch them. We never did see any but we know they were in our school as they created a whole lot of mischief throughout a couple classrooms!

Thank you to our wonderful PAC for hosting **Cilaire's Annual Movie Night**. It was wonderful to see so many families come together for a cozy night of fun. The students, staff and school community truly appreciate all PAC does to support our school and provide these types of community building activities.

Thank you so much for all of the support at our **Schoalstic Book Fair**! What a great opportunity for our students to get excited about books and reading, all while raising money to support our library. A big thank you to Mrs. Pearce and her student and parent volunteers for their time and effort in organizing this event.

Congratulations to Mrs. Noseworthy and our three bands who competed in the **Mid Island Performing Arts Festival**. Our Grade 6 Band, our Grade 7 Band and our Extra Curricular Band Ensemble, all were awarded **GOLD** in their respective Brass and Woodwind Ensemble Classes. Thank you to all our parents who were able to come out and support our musicians!

Portable being closed – Our portable will be formally closed up over the spring break. With this change, our Band classes will be moving into the school building and the North Cedar Daycare into our library.

If your child/children attends the daycare, please note the following:

1. Parking/Drop off/Pick up – Please use the LOWER LOT ONLY. Do NOT drive up beyond the second gate in the morning or after school. This is meant to ensure the safety of our students. Thank you!

COVID – 19 NLPS News – An updated letter from the Superintendent was emailed out this afternoon. Please visit the NLPS website for up the most recent and updated information. www.sd68.bc.ca
