

## CYCLONE NEWS

***WE Day 2019***

Nov. 22, 2019

This week we had 26 students attend WE Day at Rogers Arena. WE Day Vancouver had over 20,000 youth and educators come together to celebrate young people committed to making a difference. At Cilaire, our WE group is what we call our Global Citizenship Committee. Thank you Ms. Widsten and Mrs. Whiting for taking the lead at Cilaire with this group and inspiring our grade 6 and 7 students to make the world a better place to be!

To add to our notion of giving back, next Friday all Cilaire grade 6 and 7 students will participate in our annual day of **Cilaire Gives Back!** Over the past month, teachers have been talking with students about those who are less fortunate than ourselves, homelessness, and the importance of giving back. Next Friday, all of our grade 6 and 7 students will go out into the community and volunteer at a variety of organizations. We will have students volunteering at: Beban Community Gardens, SPCA, Loaves and Fishes, 7-10 Club, and Christmas Kettle Bell Ringing. Thank you to our grade 6 and 7 teachers for organizing this incredible experience for our students and encouraging them to spread compassion, love and kindness.

**#TEAMCILAIRE** - At this busy time of year, we would like to invite parents to help us ensure a positive and rich learning environment for all students. Please take a moment to talk with your child about our TEAM and help reinforce all of the beautiful traits that make Cilaire School a positive and safe place to be. Encourage your child to be a leader and strive to be the best they can be! Getting lots of sleep and a good breakfast are a great way to start the day off on a positive note! Thank you for your support in our efforts to provide the type of environment that thrives on respect, kindness and compassion for others.
